Zertifikat No. HnPrsGpbAC

Für das Meeting "International Conference on the IAEA Technical Cooperation Programme: Sixty Years and Beyond - Contributing to Development" des Veranstalters/der Veranstalterin IAEA.

Date: 30.05.2017-01.06.2017
Location: Österreich

Description:
The “International Conference on the IAEA Technical Cooperation Programme: Sixty Years and Beyond – Contributing to Development” highlights the achievements of the IAEA’s technical cooperation programme and its impact on socio-economic development in Member States over the last six decades. The conference also promotes debate and dialogue on the opportunities provided by partnerships in this area, and explores innovative means to further improve the technical cooperation programme.
